

## Seven Questions to Ask Your Doctor When You're Being Referred to a Radiation Oncologist

---

1. How long has this physician been in practice?
2. How long have you worked with him/her?
3. Is the physician's office located close to my home?
4. Is the physician's office owned by a hospital system?
5. Do they take my insurance plan?
6. Do they offer bilingual services?
7. What have past patients had to say about this physician?
